B Backwall Cabinet

Recommended for standing out, increasing visibility, driving sales and strengthening brand positioning.

Perfect for product launches, showcasing best-sellers and highlighting key products with a more exclusive presence within the backwall.

Cabinets offer a differentiated and customized visual space within the backwall. **Only one cabinet can be customized per backwall**, giving the brand greater visual exclusivity and allowing it to stand out clearly from the other brands featured on the same backwall.

Key Benefits:

- Exclusivity and differentiation: As only one cabinet can be customized per backwall, the brand gains an exclusive visual space that captures customers' attention and creates clear differentiation from the other brands displayed on the same backwall.
- The cabinet allows a selection of products to be presented in an organized, accessible and visually appealing way, reinforcing the visibility of the brand's priority products.
- Integration within the backwall: As part of the backwall itself, this format combines product display and brand communication in a single space, delivering greater impact and visibility within the shelving area.

-

Note: The manufacture and instalation of the vinyls are not included.

All campaigns must be closed at least 3 months in advance.

* Please review the terms and conditions outlined in the attached contractual agreement.

Details

- Full customized cabinet. (Design provided by the Brand)

If this format is contracted for the airports, it includes all 4 airports.
If this format is contracted for the border shops, it includes all 6 shops.

Minimum 3-month duration.

D Leading a Backwall (CST)

Recomended for standing out, increasing sales and exposure.

This format is ideal for launches, exposing the top-selling products and positioning your brand.

Key Benefits:

- Prime Visibility: Positioned at the front of high-traffic shelves, the Leading Backwall ensures maximum exposure to every customer entering the store, making your brand the first to be noticed.
- Large Display Area: With a sizeable backwall, this space offers ample room for impactful visuals, allowing your brand to create a bold, eye-catching presence that stands out.
- Enhanced product perception: A premium in-store location not only increases visibility, but also reinforces the perceived value and exclusivity of your products, associating them with a high-quality shopping experience.

-

Note: The manufacture and instalation of the vinyls are not included.

All campaigns must be closed at least 3 months in advance.

* Please review the terms and conditions outlined in the attached contractual agreement.

Details

- Only available in Castellón Airport
- Full customized header in backwall (Design provided the Brand)

Annual duration

03 Special formats

Special formats at airports offer brands unique advertising opportunities to stand out and connect with a diverse and captive audience. These exclusive advertising spaces within airports provide a compelling platform for brands.

A Security Arches

Key Benefits:

- Strategic visibility in a high-traffic area: The security arches are located at the store entrance, ensuring excellent visibility for all customers entering, especially in stores where passing through the arches is mandatory.
- Direct and close customer interaction: Being a key access point, customers interact directly with the advertising space, allowing for immediate visual impact and greater brand recall.
- Priority placement before the shopping experience: This advertising space is the first thing customers see upon entering the store, positioning your brand as a key player from the start of their shopping journey and positively influencing their purchasing decisions.

Included

- All arches on the shop, both sides.

Detail

- Castellón - 4 arches
- San Sebastián - 7 arches
- Zaragoza - 8 arches
